## Rules for the Summer Camp

### 1. Behaviour

The student behaves correctly during lessons, meals and activities and shows respect for the staff and other participants.

Mobile phones and other audio devices are prohibited during class. The student tries to speak in Spanish during the complete stay. The instructions of the course director, teachers and other staff are to be followed.

### 2. Participation

Participation in the lessons, in the activities and the excursions is compulsory for all participants. Punctuality is a must!

### 3. Smoking

A smoking ban applies to all students under 18.

### 4. Alcohol

A strict alcohol ban applies to everyone under 18. This should be considered in any case, since the laws for unauthorized consumption of alcohol often provide for heavy penalties.

### 5. Order

Host families are not hotels. We therefore ask each student to make his/her bed and to ensure cleanliness in the room occupied by him/her.

### 6. Valuables

It is not recommended to bring valuable items (e.g., laptop, Game Boy) or large amounts of cash. There are no safes in the rooms or with the families and the school cannot be held responsible for theft, damage or loss of valuables or money.

### 7. Damage

The student is liable directly to the aggrieved party for any and all damage he/she causes. Should the student cause any damage for which the Institute is held liable, the Institute is entitled to indemnification by the student.

### 8. Health insurance

The student is in possession of a valid health insurance and brings the European Insurance Card with him/her.

In case of illness or absence for any other reason, the student assures that the school is informed as soon as possible by the host family.

### **9. School-way**

The student covers the way between school and family unattended and is encouraged to take the most direct route. For accidents or other incidents outside of the school's own installations, the school assumes no responsibility.

### **10. Evening out**

If it is not otherwise expressly authorized by the parents, the student does not leave host family house unattended after dinner.

In extreme cases of misbehaviour or violation of the law, the school reserves the right to expel the student from the school. The paid tuition for the course and/or accommodation is in these cases not refunded. The cost for an anticipated departure will be on the student.

The school is authorized to use photos and videos that are taken in the school or at activities in its website, promotional materials, or the school pages on Facebook or YouTube.
